Extremely rare opportunity to purchase a unique beachfront luxury villa.
True beachfront villas are very scarce on the Costa Blanca...but this is a fantastic example.
The property has recently been completely refurbished to the highest standard and offers a unique location lifestyle.
The villa sits on an extensive beachfront plot close to the fort and close to the town, shops, bars and restaurants are all within a 2 minute walk....but it feels like living on a private island.
Set amongst beautiful tropical Mediterranean gardens.
With extensive dining and sunbathing terrace, changing room and outdoor shower.
Large lounge with dining and bar areas and patio doors to pool and terrace with breathtaking sea views from every part of the villa.
18m x 10m salt water heated pool with waterfalls and beautiful large inbuilt seating area in the water.
This is not just 5 star....this is a 6 star property.
