This lovely plot with seaviews over the bay of Javea has just been released for sale by Plots Direct. Situated in a quiet cul-de-sac on the famous El Tosalet urbanisation, this gently sloping plot has commanding views over the entire bay of Javea, the San Antonio lighthouse, Mount Montgo and even to the Los Indos mountains further inland.

Wonderful views and only a 3 minute drive to the golden sands and famous restaurants of El Arenal. Due to the incline of the site it will be possible to construct a villa of +250m² on this plot with swimming pool.

A special plot for a special villa.
