There are also four individual 2 bedroom guest/staff villas that have their own pool.
Main house: an elegant marble entrance hall with sweeping staircase leads upstairs to 5 bedroom suites with 6 luxury bathrooms. Downstairs the fabulous kitchen with breakfast bar opens on to a traditional Andalucian courtyard and family lounge which leads onto the naya with views of the 18x10m infinity pool. This pool features a palm tree island accessed by a footbridge.
There is also a dining / banqueting room for 16 guests and a grand salon on the main floor.
All these spacious rooms enjoy expansive views over the bay of Javea.
A third pool is to be found deep in the gardens next to a thatched cabana.
Palacio de la Paz was fully reformed in 2011 and is one of the most impressive properties on the northern Costa Blanca coastline.
