With commanding panoramic views of Mount Montgo and with sea views towards Cap San Antonio lighthouse, Plots Direct is pleased to announce that the best plot on the exclusive Pi Ver estate in Javea has finally been released for sale.

The plot deserves an imposing property and plans are included for a luxury 550m² villa.

This is the largest and highest plot on Pi Ver and has the finest views in the area.

The site has only recently been cleared.

With fabulous views this plot must be visited to be appreciated.

An exclusive location, famous for its stunning sunset views over Mount Montgo, this prestigious urbanisation is just five minutes from the beaches of Javea.

The plot is fully connected with electric, water, mains drainage and piped gas.

Architect plans are available for construction of a majestic 494m² villa with a beautiful swimming pool.

These are draft plans only and can be tailored to a buyer's personal requirements, if required.
