

Newly built villa in El Tosalet 5, Javea / Xàbia, Alicante

Price: €1,195,000 **Ref: PDVAL3879**

This beautiful, impressive new villa is currently under construction and is due to be completed late 2026.
Offering a stunning combination of modern design and functional elegance, this 300m2 property sits on a 1000m2 plot overlooking the bay of Javea.
The golden sands of El Arenal beach with it's bars, restaurants and nightlife is just a 5 minute drive away.
This Ibiza style villa has generous open living space that spreads the entire width of the property and flows seamlessly from living room to dining area and onto a beautiful stylish kitchen.
The property has 3 spacious tastefully designed double bedrooms, all flooded with natural light.
There are 2 luxurious, high spec bathrooms and a guest toilet.
Outside is a large infinity pool with shower, pergola, drystone walled terraces and landscaped gardens.
There is also a double garage accessed from the private driveway.
This is a beautifully designed modern villa built to a very high standard.
