This wonderful double plot is situated in the area of Ambolo on a narrow peninsula that faces south. A prestigious location to build your dream property with spectacular sea views of the Costa Blanca coastline. The views from your pool terrace will be to the south towards the Ifach rock and beyond. The plot is slightly inclined and therefore perfect for the design of a luxury villa that can benefit from the sea views on every level.

Please note that a buyer should have a budget of around 3.2m€ to buy the plot and complete the construction.

The plot is not overlooked and is south facing, a perfect orientation.
