Plots Direct has only one plot available now on the prestigious south facing Garroferal estate on Mount Montgo.

The plot has the wonderful backdrop of the 753m mountain that towers over Javea.

This plot is fully urbanised with all connections including mains drainage,

It represents very good value for money compared to others in this area, as all infrastructure has been completed.

34 plots on Montgo Garroferal have been sold so far, with many beautiful villas constructed. Now only 1 plot remains; please contact Plots Direct for details.
