Portichol is an exclusive peninsula in Javea; famous for the beautiful La Barraca beach and renowned for the multi-million euro villas that inhabit its forested slopes.

This flat plot of 1.000m² in Portichol has just been released for sale by Plots Direct.

A south facing corner site on a quiet road, only two minutes from La Barraca beach and only two minutes from the golden sands of El Arenal beach too.

A superb position to build a family villa; the location is tranquil but also close to restaurants, bars, nightlife, shops and schools.

At under 200k€ this plot is very good value, particularly as all infrastructure (roads, pavements, street lighting, utility connections etc...) have been completed.
