The El Tosalet area of Javea is a green stretch of hillside that runs down to the golden beaches of El Arenal and the Cala Blanca coastline.

For decades it's been the favourite spot for holiday homes of the wealthy residents of Madrid and Barcelona. These are luxurious villas, where palm trees adorn the lush green lawns and sun terraces meet glistening azure swimming pools.

Now this stylish fully renovated villa nestling on the lower slopes of El Tosalet has been released for sale by Plots Direct.

With six bedrooms and five bedrooms, this is an impressive family villa set on two levels.

A feeling of light and space prevails in the living areas where generously proportioned rooms blend elegant lines with Mediterranean flair.

The open plan kitchen is stunning and leads onto the dining room and lounge, which then leads outside to the large pool, the sun terraces and the impressive landscaped gardens.

A very fine property indeed.
